3rd International DELab UW Conference 2017

Ongoing digitalisation of economies and societies

Warsaw, September 29, 2017

CALL FOR PAPERS

We invite academics, researchers and PhD candidates from different disciplines (such as Economics, Sociology, Administration, Management and Governance, Philosophy) for an interdisciplinary, intensive one-day Conference.

The topics of interest are the following:

Society goes digital

- Digital skills
- Artificial Intelligence
- Digital relationships
- Information and new media
- Sharing economy

Economy goes digital

- Future of labour market
- Online platforms
- E-commerce
- Mobile economy
- Economic growth
- Creative industries

Policy goes digital

- Regulation and competition
- Innovation and standards
- Measurement of digitisation
- E-government
- Privacy

Deadline for abstracts: July 15, 2017

E-mail for submissions: conference@delab.uw.edu.pl

We kindly ask authors to structure abstracts: HIGHLIGHTS, BACKGROUND, METHODS, RESULTS and CONCLUSIONS in maximum 500 words.

Authors of abstracts will be notified about selection by July 30, 2017.

If the author would like to use the provided publishing opportunity, the deadline for final full papers is: October 31, 2017.
